Drs. McKeown & McKeown
And Assistants.

The Great Consumption Specialists.

Will arrive at the Rapley House on Monday, December 12th.

All who visit these Eminent Physicians and Surgeons before Dec. 25th, will receive services free of charge for three months. Their object in pursuing this course is to become rapidly acquainted with the sick and afflicted. They treat all diseases and deformities. If your case is incurable they will honestly tell you so and caution you against spending money for useless treatment. During the past year these eminent physicians examined 38,000 invalids. Out of this number 15,488 were rejected as incurable.

These specialists will positively cure Catarrh, Bronchitis, Asthma, all Throat and Lung diseases, and will absolutely guarantee to cure every case of Consumption they agree to treat. This mode of treatment is safe, and certain in its results. Epilepsy, Hysteria, Nervous Exhaustion and all forms of nervous diseases permanently cured by the London Specific Treatment. Female diseases a specialty.

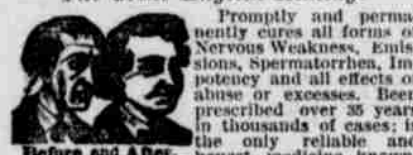

They have secured the services of the greatest English Specialist for Blood, Skin, and Surgical diseases of men. All special diseases treated. Those suffering from Rheumatism, Sores, Ulcers, Tumors, Cancer or any other form of Skin or Scalp diseases should visit them at once. Grippe cured and all complications prevented by their new specific. Remember consultation, advice and services absolutely free and confidential.

QUOTATIONS.

The work an unknown good man has done is like a vein of water flowing hidden under ground green.

CARLYLE.

The thought that comes often unthought, and as it were, drop into the mind, are commonly the most valuable of any we have, and therefore should be secured, because they seldom return.

JOHN LOCKE.

Not to know at large of things remote from use, obscure and subtle, but to know that which before us lies in daily life, is the prime wisdom.

General News.

Capac will soon have some business changes.

Wood thieves are plentiful around Brown City.

Armada will soon be lighted with fifteen street lamps.

About 1000 immigrants a week pass through Port Huron bound for the west.

The Republican thinks it a burning shame that St. Clair has no opera house.

A movement is on foot to build an electric railway from Port Huron to Lexington.

The old street car barns in Port Huron will be remodeled into a road car factory.

W. Lawrence, of Romeo, displays two handsome fawns sent him from the north woods.

Representative Whiting's elegant residence in St. Clair is now completed and his family has moved into it.

The crop of apples from Huron County this year is the largest ever known, potatoes are also a big crop.

James A. Burgess has purchased the Bad Axe Democrat and will at once take charge of the same making some changes.

George Leininger, a prosperous farmer living near Mt. Clemens recently committed suicide. Cause supposed to be his ill health.

Dr. A. L. McLaren, of Port Huron, has invented a new paint which will be called aluminum paint and promises to supersede anything of the kind.

Dr. C. L. Chandler, a resident of Richmond for the past fourteen years and much beloved and respected, suddenly dropped dead last week, of heart disease.

Geo. Wills and wife, of Sand Beach, lost a little girl a few years ago by a train running over her. The F. & P. M. company have recently settled the matter by paying over \$500.

A young son of Thos. Davis, of Port Huron, was leading a cow with a long rope and with the rope placed round his neck, when the cow becoming frightened started to run which tightened the rope about the little fellow's neck choking him and before the animal could be stopped he was nearly dead. It is not expected that he can live.

Two men who had engaged a Capac hostler to drive them to Emmet, treated him so liberally to liquor that he lost consciousness on his way home and falling in the front part of the buggy his head and shoulder came in contact with the wheel lacerating him badly. The horse reached the stable and with care, is improving somewhat.

Thirty C. & G. T. employees, living in Port Huron and Fort Gratiot, have been discharged. For years the men have ordered their coal in car load lots, the company giving them reduced freight rates. Late it was suspected that the men were receiving more coal than they needed for themselves, and investigation showed that neighbors were being supplied at the same rate the men were getting it and the discharges followed. There is a great deal of excitement over the matter.
